

## Computer Science Lab6

- Q1:

1. True
2. False , via inheritance
3. False ,has-a relationship
4. True
5. True

- Q2:

1. **GraduateStudent** and **UndergraduateStudent** derived from **Student**.
2. **MasterStudent** and **DoctoralStudent** derived from **GraduateStudent**.
3. **Senior** and **Junior** and **Sophomore** and **Freshman** derived from **UndergraduateStudent**.
4. **Student** is an indirect base class inherited from **MasterStudent** and **DoctoralStudent** and **Senior** and **Junior** and **Sophomore** and **Freshman**.
